

Newsletter and Repeated Reminders - February 22, 2021

We are happy to announce that we have started a private group page on Facebook. We will use this platform for all homeowners and residents to be able to stay connected with one another and to keep everyone up to date with important notices and reminders. If you have a Facebook page, search “**Suncrest Village Community**” in the search bar and request to join! Remember, this is a private page for current homeowners and residents. You will be asked to answer a few basic questions upon requesting to join. These questions must be answered. These answers are private and only seen by the Admin of the page. They are strictly used to verify your ownership and/or residency. Thank you! We look forward to connecting with you!!

We have started a small Suncrest Village Library in the Internet Lounge. It is a “Give a Book- Take a Book” type service. If you are able, please bring down some of your old books to recycle or repurpose. If you aren’t able to give any but love to read, come check it out and take a book or two! All books are free to take. Please limit one to two books per person. You may enter the Internet Lounge 24/7 with your key. We are asking that only one person/family at a time. Please ensure all books are wiped down and/or sanitized upon placing them on the shelves. If you are feeling ill or currently have COVID-19 or any associated symptoms, please do not visit the library. Help us take care of this new service by acting responsibly at all times when visiting. Masks are required.

We have been asked to consider offering some exercise classes or any other small social gathering activities. We have briefly discussed this and feel that between the size of the Clubhouse and also incorporating the Pool Deck, we would have enough space to socially spread out and stay safe. We would like ask anyone that would be interested in volunteering to help us start a Social/Activities Committee, please contact Holli at office@suncrestvillage.net. We would love to get community involvement and offer some community activities for residents and homeowners of all ages!

PLEASE ENSURE YOU LOCK YOUR VEHICLES AT ALL TIMES!!! We continue to get reports of cars that have been rummaged through. This is almost always the result of not locking a vehicle. We know that forgetting to lock your vehicle doesn’t make the situation better, but unfortunately this ridiculous violation of personal property is happening all over Morgantown. Please, get in the habit of triple checking/locking your vehicles to ensure you are not the next victim. If you see that your car has been rummaged through and/or items are missing, please file a report with the Mon County Sheriff’s Department.

In addition to making sure your vehicles are locked at all times, we are asking that anyone from the Townhomes that are willing to do so, please keep your garage lights on at night to help with being a deterrent for the vehicle rummaging. We can’t guarantee that this will resolve the issue, but more lighting around the vehicles may make thieves wary of getting caught and help to keep them out of our community.

Lastly, we continue to receive calls on the weekends in regards to mail hours. The hours have not changed. They are as follows: Monday-Friday: 9:00am – 6:00pm; Saturday: Noon – 4:00pm, and Sunday: **CLOSED**.
