

Refuse Area – Dumpster Transfer Schedule – 2021

On the dates listed below, the compactor's dumpster will be removed from our Refuse Area garage to be emptied at the city dump and returned to Suncrest Village. Typically, this routine transfer occurs in the morning and takes an hour or two. However, the time is never guaranteed nor controlled by our HOA Office. Residents may prevent garbage from piling up on the sidewalk at the Refuse Area during the transfer by choosing another day and/or time to use

the compactor. Thanks so much for your help and for keeping Suncrest Village clean and beautiful! Stay safe and informed at www.suncrestvillage.net/news
